Welcome to Fruita Middle School!
2017-2018

Dear Parents,

We are eager to have your child become a part of Fruita Middle School! We look forward to all of the learning opportunities we will share over the next two years with your student.

Included in this packet is an exploratory pre-registration sheet and a multiplication worksheet.

- The pre-registration sheet is due back to their 5th grade teacher no later than Friday, May 12th
- The final sheet is a two-sided multiplication facts worksheet. One side is in order, the other is in mixed order. We look for students to be able to complete the mixed side in 4 minutes. Time your child. If they can't, they should practice the in order sheet until they can do each in 4 minutes. Please make additional practice copies or download this form from our website under the Parents tab in Back to School Information.

This summer we encourage all parents to utilize our **"30 Times 5"** strategy

- **30** - Minutes of Reading
- **Times** - Working on Multiplication Facts
- **5** - Times a week
