**Welcome to Fruita Middle School!**  
**2016-2017**

Dear Parents,

We're eager to start the new school year at Fruita Middle School! We look forward to all of the learning opportunities we'll share next year with your student.

Included in this packet are two multiplication worksheets.

- One is in order, the other is in mixed order. We look for students to be able to complete the mixed side in 4 minutes. Time your child. If they can't complete it in 4 minutes, they should practice the in order sheet until they can. Please make additional practice copies.

This summer we encourage all parents to utilize our **"30 Times 5"** strategy

- **30** - Minutes of Reading
- **Times** - Working on Multiplication Facts
- **5** - Times a week

Thank you for your involvement in your student's lives. We also want you to keep a few important dates in mind:
